Coffee Thermos (1/100)

After the opening cutscene concludes, follow the main road beneath a street light.

plywood.

Can Pyramid (1/12)

Use your flashlight and the gun a spotlight gives you to defeat an enemy, then immediately look on the fence to your right to find the can pyramid.

Coffee Thermos (2/100)

Encounter and defeat a small group of enemies, then check the box on the nearby power pole to find a flare gun. Just after that pole and to the right, stairs descend to a concrete bunker. From the top of the stairs, you can see the base of the thermos resting on a crate.

Coffee Thermos (3/100)

After you outrun a tornado, check the bench just ahead of the lighthouse entrance.

As you descend along a trail from your car, a sequence depicts two pages of a manuscript flying in the breeze. You collect both of them automatically.

Manuscript Page (2/91)

Image: Remedy Entertainment/Epic Games via Polygon

You receive the second manuscript page along with the first, as noted above.

Coffee Thermos (7/100)

Use a large fallen log to start across the river. When you reach the log's far end, take a detour to the left to find the thermos resting on some rocks.

Manuscript Page (5/91)

Image: Remedy Entertainment/Epic Games via Polygon

As you proceed through the river crossing sequence, head along three logs joined together to form a bridge. On their far side, there is a barrel and what looks like a white-clothed table. The manuscript page

rests near the edge of the table nearest the barrel. It is easy to miss if you don't get close or aren't looking for it.

Finish crossing the river and head uphill to defeat some enemies. Once they are out of the way, climb a ladder to reach the top of a pile of logs and head to your right. Climb the hill to a shack, then head around its side to find the entryway. Just inside that doorway, you'll find the chest on the floor near some shelves.

Behind the shed where you find the radio, there are more shacks and an old car. Just behind the old car, against a wooden wall, you'll find the chest.

Manuscript Page (7/91)

Image: Remedy Entertainment/Epic Games via Polygon

Head uphill from the shacks and old car to find two vertical poles near the edge of a rocky overlook area. The manuscript page is on the ground to their left.

Coffee Thermos (10/100)

Start downhill from the two poles where you found the manuscript, veering right to find the thermos on a rocky ledge.

Coffee Thermos (11/100)

Reach the Safe Haven area, with the generator and light pole. Head to the cliff and follow it left to find the thermos near a barrel on another rocky ledge. Enemies attack periodically in this area.

Manuscript Page (8/91)

Defeat the gang of enemies that attack you in the third lumberyard. Check the base of the huge construction crane, along the tracks positioned on its right side as you approach.

Manuscript Page (10/91)

Image: Remedy Entertainment/Epic Games via Polygon

Climb the hill and steps leading to the gas station property. Pass under the streetlamp and you will see the manuscript page at the base of the deer-shaped float.

Coffee Thermos (13/100)

Ad

To the right from the deer float, there are signs listing prices for gasoline. The thermos rests on the ground between them.

Coffee Thermos (14/100)

Image: Remedy Entertainment/Epic Games via Polygon

Before entering the gas station, take a detour along the road leading downhill from the station. You will find it blocked by a truck. The thermos is near the truck's front tire.

TV Show (2/14)

As you enter the gas station building through its garage, you will pass by a television that turns on automatically. Use the focus action to view the broadcast.

Sign (1/25)

When you enter the building's store portion from the garage, step toward the right and look at the end of the shelves to find a sign advertising a festival.
